

ENVIRONMENTAL POLICY

The main aim of Stornoway Skip Hire is to provide economic recycling and waste disposal services aimed at minimising the impact on the environment.

We have assessed our activities and identified that our significant environmental aspects include the storage, processing and handling of waste, the transportation of waste and the risk of pollution from waste stored at our site.

We are committed to minimising the environmental impact of our operations; we will achieve this through commitment to:

- ✓ Working closely with SEPA to adhere to legislation
- ✓ Reducing the amount of waste produced
- ✓ Maximising the amount of waste we recycle
- ✓ Complying with relevant legislation
- ✓ Preventing pollution in all activities
- ✓ Communicating with customers, suppliers, general public to protect the environment
- ✓ Updating environmental practice as the business updates
- ✓ Following the Waste Hierarchy
