HEALTH AND SAFETY POLICY STATEMENT

Stornoway Skip Hire are committed to provide and maintain a healthy and safe working environment for all of our employees, customers, the public and communities which may be affected by our activities. It is Stornoway Skip Hire's policy to take all reasonable action to ensure health, safety and welfare of all employees and to ensure that all facilities, equipment etc, is maintained in a safe condition at all times. The following requirements must be met:

- The provision of, so far is reasonably practical, safe work areas of work within the yard at all times, with proper means of access and exit.
- The provision and maintenance of plant, equipment, tools etc that are, so far as reasonably practical, safe and without risk to health.
- The provision of such information, instruction, training and supervision as is necessary to ensure the health and safety of all employees whilst they are at work.
- Stornoway Skip Hire will ensure that persons not employees with Stornoway Skip Hire but who may be affected by Stornoway Skip Hire's activities are not exposed to risks to their health and safety.

To further Stornoway Skip Hire's statement of safety, it is the duty of every employee whilst at work:

- To take all possible care for the health and safety of themselves and other persons who may be affected by their activities.
- To co-operate with the owner in every possible way to enable Stornoway Skip Hire's safety policy to be complied with.
- It is also the responsibility of each employee not to misuse or interfere with anything provided by the employer in the interests of health and safety.

Further to the above declared safety policy, all employees should have safety in mind at all times and should make use of the protective equipment and must use the appropriate systems of guarding plant etc which are provided.

The co-operation of each employee is essential to ensure the efficient working of Stornoway Skip Hire and to prevent injury to persons and damage to plant and equipment.
